

REMARKS

Entry of this amendment is respectfully requested prior to examination of the application and calculation of filing fees. By this Preliminary Amendment, the descriptive text appearing on pages 14 and 15 of the application as filed, was moved to page 8 of the specification and thus does not introduce any new matter. Additionally, the language of the newly added claims 3-10 was also added on page 8 of the specification. Furthermore, the entire text appearing on pages 14 and 15 of the application as originally filed, which constituted original claims 1 and 2 has been deleted and replaced by claims 3-10, which are in closer compliance with 35 U.S.C. 112.

Please charge any additional fees necessary for consideration of the papers filed herein and refund excess payments to Deposit Account No. 50-2929.

Should there be any questions, the Examiner is invited to contact the undersigned at the below listed telephone number

Respectfully submitted,
